

PASS AND PRIZE LIST

May 2024 Examination

17 July 2024

The Association of Taxation Technicians, the oldest and largest body concerned solely with tax compliance, announced today the results of its examinations taken by 855 candidates in May 2024 with an additional 1,183 sitting some ATT papers on the ATT CTA Tax Pathway. The Association reports that a high standard of performance was achieved by many candidates.

The Association President, Senga Prior, commenting upon the results said:

“I am delighted to congratulate all the successful candidates from the May sitting of our exams. In total 855 ATT candidates and 580 ATT CTA Tax Pathway candidates sat 1,843 papers and 1,286 passes were achieved. 90 distinctions were awarded to candidates for outstanding performance.

Having taken the exams myself I am well aware of the many hours of study required to sit our examinations and I commend all the candidates for putting in the work necessary to achieve success.

The ATT’s modular system means that candidates can study at their own pace, within the five-year registration period, whether they are working towards full membership or simply wishing to obtain one or more Certificates of Competency in their specialist area.

I look forward to meeting the candidates who take up membership at our next Admission Ceremony.”
